## Summary

Creative and detail-oriented fashion design graduate with hands-on experience in weaving, draping, and surface design. Skilled in fashion sketching, Aari embroidery, dyeing, and CorelDraw. Passionate about blending traditional techniques with modern fashion trends.

## Work Experience

**Intern – Weaving Process** Tiruppur | Duration: 15 days

Gained hands-on exposure to the weaving process in a textile unit. Observed fabric production stages and quality control techniques. Learned about industrial weaving machines and yarn management.

## Projects

**Project – 1: CorelDraw Fashion Illustration** (attach deployed link here) Github link here

Created fashion illustrations and garment designs using CorelDraw, focusing on color harmony, fabric rendering, and silhouette development.

**Project – 2: Aari Embroidery & Dyeing Techniques** (attach deployed link here) Github link here

Applied various Aari embroidery techniques on garments as part of certification training. Worked on natural and synthetic dyeing methods along with block and screen printing to explore texture and color interaction.
